
TERMS AND CONDITIONS GOVERNING ADELPHI UNIVERSITY TRANSFER SCHOLARSHIP FOR PART-TIME STUDY

1. Your award of an Adelphi University Transfer Merit Award for Part-Time Study for the Fall and Spring semesters of the 2009-2010 academic year and subsequent years is made based on your fulfilling the following requirements:
 - ◆ you are enrolled in part-time study at Adelphi University (6-11 credits per semester) leading to a bachelor's degree;
 - ◆ grade-point average of **3.3** or higher each semester; and
 - ◆ you are not subject to any disciplinary action;
 - ◆ scholarships are awarded for Fall and Spring semesters of study only.
2. All award recipients who are **U.S. citizens or permanent residents** are required to file the Free Application for Federal Student Aid (FAFSA) annually with the U.S. Department of Education regardless of expected eligibility for financial assistance. Indeed, your scholarship itself may be increased as a result. You will receive a financial assistance award notification form from the Office of Student Financial Services approximately 6-8 weeks after you file the FAFSA. At that time you will also be informed of all instructions that may apply to your scholarship or other financial assistance. As your scholarship is offered to help cover tuition only, it may be readjusted once your eligibility for federal, state, and other institutional aid has been determined. **Students that do not meet the eligible citizenship requirements as noted on the FAFSA are not required to file.**
3. The amount of your award is fixed and will not be altered or affected by changes in tuition and fees that may occur.
4. This award and the amount of your award supercede any other academic award offer you may have previously received from Adelphi. After filing for financial assistance, you will receive an award letter from the Office of Student Financial Services that will reflect all assistance you have been awarded.
