
**TERMS AND CONDITIONS GOVERNING ADELPHI UNIVERSITY
PHI THETA KAPPA SELECT SCHOLARSHIP FOR FULL-TIME STUDY**

1. Your award of an Adelphi University Phi Theta Kappa Select Award for Full-Time Study for the Fall and Spring semesters of the 2010-2011 academic year and subsequent years is contingent on your fulfillment of the following requirements:
 - ◆ you are enrolled in full-time study at Adelphi University (a minimum of twelve (12) credits per semester) in a flat rate tuition program leading to a bachelor's degree
 - ◆ you maintain a **3.3** grade-point average or higher each semester while enrolled in courses leading to a bachelor's degree at Adelphi University; and
 - ◆ you are not subject to any disciplinary action
 - ◆ scholarships are awarded for Fall and Spring semesters of study only. This award will only be given for a maximum of four semesters.
 - ◆ participation in campus and/or community programs
 - ◆ during your first semester, you will receive information from the Office of Student Affairs on how to meet this requirement.
2. In addition, all scholarship recipients who are **U.S. citizens or permanent residents** are encouraged to file the Free Application for Federal Student Aid (FAFSA) annually with the U.S. Department of Education regardless of expected eligibility for financial assistance. Indeed, your scholarship itself may be increased as a result. You will receive a financial assistance award notification form from the Office of Student Financial Services approximately 6-8 weeks after you file the FAFSA. At that time you will also be informed of all instructions that may apply to your scholarship or other financial assistance. This award may be readjusted once your eligibility for federal, state, and other institutional aid has been determined. **Students that do not meet the eligible citizenship requirements as noted on the FAFSA are not required to file.**
3. The amount of your award is fixed and will not be increased by changes in tuition and fees that may occur, or future academic performance.
4. Your scholarship may only be used for tuition and fees at Adelphi University. If you receive federal, state or other assistance, your scholarship **may be reduced** to ensure that the combined funds do not exceed the cost of tuition and fees at Adelphi University.
